12th April 2019

Dear Parent and Carers,

It has been another great week at Lillington—thank you to all the children for making me feel proud to be part of the team. I have seen some super writing linked to the class novels and year 6 are in the process of producing some wonderful work also linked to their reading.

We are saying a fond farewell to Mrs Mulrine as she moves on to her new job, many thanks for all the hard work. Mrs Collett will take over in Nursery. We also say goodbye to Mrs Southall (hopefully a temporary goodbye) and wish her all the very best as she begins her maternity leave. Miss Evans will take over full time to fulfil the role.

All classes attended church for an Easter service this week and the Mad Science assembly was very popular.

I wish you all a Happy Easter and look forward to seeing you all on the 29th April.

Warwickshire School Health & Wellbeing Service and Warwickshire Young Persons Substance Misuse Service has launched a new way for parents and carers of school aged children to get confidential advice and support about child health related issues. ChatHealth is an award-winning school nurse messaging service and is available Monday to Friday from 9am to 5pm. There will be automatic bounce-back responses to incoming messages out of hours. Answering the text message will be a nurse who can assist with any queries about general health, child development, behaviour, toileting and emotional health and wellbeing issues.

The text number is **07520 619 376**.

The opportunity to discuss any health issues relating to your child is always available and the School Health and Wellbeing Service can be contacted on 03300 245 204.
