1. Aims

This policy aims to:

- Provide background information about the pupil premium grant so that all members of the school community understand its purpose and which pupils are eligible.

- Set out how the school will make decisions on pupil premium spending.

- Summarise the roles and responsibilities of those involved in managing the pupil premium in school.

2. Legislation and guidance

This policy is based on the pupil premium conditions of grant guidance (2017-18), published by the Education and Skills Funding Agency. It is also based on guidance from the Department for Education (DfE) on virtual school heads' responsibilities concerning the pupil premium, and the service premium.

In addition, this policy refers to the DfE's information on what maintained schools must publish online.

3. Purpose of the grant

The pupil premium grant is additional funding allocated to publicly funded schools to raise the attainment of disadvantaged pupils and support pupils with parents in the armed forces.

The school will use the grant to support these groups, which comprise pupils with a range of different abilities, to narrow any achievement gaps between them and their peers.

We also recognise that not all pupils eligible for pupil premium funding will have lower attainment than their peers. In such cases, the grant will be used to help improve pupils' progress and attainment so that they can reach their full potential.

4. Use of the grant

When making decisions about using pupil premium funding it is important to consider the context of the school and the subsequent challenges faced. Common barriers for FSM children can be less support at home, weak language and communication skills, lack of confidence, more frequent behaviour difficulties, and attendance and punctuality issues. There may also be complex family situations that prevent children from flourishing. The challenges are varied and there is no "one size fits all".

Building Belief

We will provide a culture where:

• staff believe that there are "no limits" to what our children can achieve

• there are "no excuses" made for underperformance

• staff adopt a "solution-focused" approach to overcoming barriers

• staff support children to develop "growth" mindsets towards learning.

Analysing Data

We will ensure that:

• *All staff are involved in the analysis of data so that they are fully aware of strengths and weaknesses across the school*

• *We use research (e.g. Education Endowment Foundation Toolkit) to support us in determining the strategies that will be most effective*

Some examples of how the school may use the grant include, but are not limited to:

- *Providing extra one-to-one or small-group support*
- *Employing extra teaching assistants*
- *Running catch-up sessions before or after school*
- *Provide support towards uniform, trips etc.*
- *Nurture provision*
- *Counsellor*
- *Lunch club*

We will publish our strategy on the school's use of the pupil premium in each academic year on the school website, in line the DfE's requirements on what maintained schools must publish online.

Our pupil premium strategy is available on our website.

5. Eligible pupils

The pupil premium is allocated to the school based on the number of eligible pupils in Reception to Year 6.

Eligible pupils fall into the categories explained below.

5.1 Ever 6 free school meals

Pupils recorded in the most recent January school census who are known to have been eligible for free school meals at any point in the last 6 years (as determined by the DfE's latest conditions of grant guidance).

This includes pupils first known to be eligible for free school meals in the most recent January census.

It does not include pupils who received universal infant free school meals but would not have otherwise received free lunches.

5.2 Looked after children

Pupils who are in the care of, or provided with accommodation by, a local authority in England or Wales.

5.3 Post-looked after children

Pupils recorded in the most recent January census and alternative provision census who were looked after by an English or Welsh local authority immediately before being adopted, or who left local authority care on a special guardianship order or child arrangements order.

5.4 Ever 6 service children

Pupils:

- With a parent serving in the regular armed forces

- Who have been registered as a 'service child' in the school census at any point in the last 6 years (as determined by the DfE's latest conditions of grant guidance), including those first recorded as such in the most recent January census

- In receipt of a child pension from the Ministry of Defence because one of their parents died while serving in the armed forces

- Making sure methods for allocating and spending ensure that looked after children benefit without delay

- Working with each looked after child's educational setting to put together a personal education plan, agree how pupil premium funding will be spent to the meet the need identified in this plan, and ensure the funding is spent in this way

- Demonstrating how pupil premium funding is raising the achievement of looked after children

Virtual school heads are in charge of promoting the educational achievement of all the children looked after by the local authority they work for.

7. Monitoring arrangements

This policy will be reviewed annually by the Deputy Head teacher. At every review, the policy will be shared with the governing board.
