

Additional information

Reading

Please ensure your child reads every evening. We're using the Accelerated Reader software to track the children's reading progress and to ensure they're reading exciting books at a challenging level. Once the children have read their books, they take a quiz to check their understanding of the book. If they're successful with the quiz, they can move up a reading level.

PE

Please ensure your child comes to school in their PE kit on the relevant day. Mr Holt's class have PE on Tuesdays and Mr Sharp's class on Thursdays. PE kit is a white t-shirt, dark shorts/skirt/tracksuit trousers and trainers suitable for sports.

Home-learning

Children will have weekly activities to complete on TT Rock Stars, Read Theory and Edshed. TT Rock Stars is a website designed to improve children's times tables. For Read Theory, children will need to read extracts from a text and answer questions about the text. Edshed enables children to improve their spellings using interactive games and activities. It is expected that all children complete the home-learning tasks weekly.

Snacks and drinks

If your child brings a snack to school, it needs to be healthy e.g. fruit or cereal bar. Please ensure your child has a drink in school everyday as well. Bottles are kept on tables so children can drink whenever they're thirsty.

If you have any questions or queries please email us.
